

As I Praise The Lord
Copyright Marnie Swedberg, 2002

And I shall eat with joy
And shall be satisfied
And be not put to shame
As I praise the Lord.
Repeat.

Jehovah Jireh
Is my Provider
And He shall meet my every need today!
Jehovah Nissi
Banner of Victory
In Him I know I'll be set free!
Chorus

This peppy little tune was God's response to my constant whining about my weight and eating.

Based on verses from Ecclesiastes, Isaiah and Jeremiah, He encourages me when I am discouraged and I often return to the piano where my spirit dances to these eternal truths!
