## God Sized Aha’s

Every life story includes norms, highs and lows. Along the way, God reveals truths that take our breath away, change our perspectives, and transform our future.

Marnie would like to interview you about a few of your most pivotal “aha moments,” and it all starts with a few good quotes!

It is possible that you already have your quotes atop images, ie - memes. If so, feel free to submit those, too!

## Your Aha Quotes Must Be

1. Original\* to you in concept and/or word order.  
\*Do a Google search for “your exact quote”.
2. Biblically sound. Align with Scriptural tenets.
3. Transformational. Change a perspective.
4. Short. Ideally one sentence; three max.
5. Sharable. It’s one thing for YOU to understand it, it’s another for others to understand it enough to want to share it. Quotes should be sharable.
6. Storied. Practice a 120 second back or supporting story/explanation/analogy for each.
