

Welcome to the Best You 2022 Virtual Women's Summit

The Best You 2022 Summit is designed for women worldwide who want to say “Yes!” to God and experience their best year with Him in 2022. It is hosted by Gifts of Encouragement, an international ministry providing mentorship to women worldwide.

The summit offers five training tracks including: Spiritual Growth, Self-Care, Bold Living, Leadership Training, and Expand Your Reach. Topics range from *Amazing Opportunities* to *Forgiving the Unforgivable* and how to become *Fiercely Unstoppable*.

The founder and director of Gifts of Encouragement, and the host of this summit, Marnie Swedberg, has decades of business and ministry experience. She has owned and operated businesses in three industries (restaurant, retail and marketing), plus is the author of 13 “how-to” books (including a best seller). She hosts a #1 ranked radio talk show and is the founder and director of www.WomenSpeakers.com, the largest online directory of its kind in the world.

“After helping launch and grow over 15,000 women-led businesses and women’s ministries in 35 countries across the globe, 2022 marks my 20th anniversary mentoring women worldwide. I’m using 2022 to host a perpetual global summit to equip women everywhere for immediate, delight-driven, exponential growth,” explains Swedberg. “We launched with over 1500 attendees who enjoyed training programs provided by 60 speakers.

Swedberg’s goal is to mentor millions of women worldwide, and [Best You 2022](http://BestYou2022.com) provides free, online training 24x7x365. The choice of YouTube as the summit host allows mentees, in even the most remote villages, to tune in and advance using the content provided in the sessions.

“I know we’re just getting going, but so far I’ve heard from groups in Africa, Asia and the Middle East who have already, or are planning to, host ‘watch parties’ with interpreters for their women. This is really exciting because we’ve been looking for new ways to get training to more women,” explains Swedberg.

Attendees may select one track or mix and match. Everyone is invited to download free swag gifts offered by each trainer. Currently the swag gifts being offered have a combined value of over \$1500.

“Come explore God’s best for you in 2022,” invites Swedberg. “The focus of the summit is the option for us all to say “Yes!” to God, no matter what He asks us to do, or how far He calls us out of our comfort zones.”

The summit is 100% free, online and available all year, so you can catch any live programming later – and even listen at 1.25+ speed if time is limited.

Welcome to www.BestYou2022.com!
